MATRIX

A USAID Project to Advance the Research and Development of Innovative HIV Prevention Products for Women

MATRIX is made possible by the generous support of the U.S. President's Emergency Plan for AIDS Relief (PEPFAR) through the United States Agency for International Development (USAID) under the MATRIX program. The contents in this document are those of the author and do not necessarily reflect the views of the U.S. President's Emergency Plan for AIDS Relief, the U.S. Agency for International Development or the U.S. Government.
